Dear Mr. Swiatlowski,

I am writing to thank you for your support of the 3<sup>rd</sup> Annual Basketball Hall of Fame High School Invitational. Over the course of the weekend the Hall of Fame hosted over 30 teams, including over 600 student athletes, 90 coaches, and 7,500 spectators.

In particular, I wanted to commend you and your staff on the educational forums that you hosted for the teams in our boardroom. On more than one occasion, I received feedback from teams that the educational session was one of the highlights of their trip to Springfield. I think that providing services for the teams and their coaches is what sets our event apart from the plethora of other high school basketball tournaments across the country.

Again, on behalf of myself and the entire Hall of Fame staff, thank you for supporting our high school basketball initiative and for providing a memorable weekend for the coaches and student athletes that travel from all over the country to participate in our event.
