Dear Mr. Swiatlowski:

Thank you for speaking with us about your work and a potential role at Boston Connects, Inc. (BCI) Summit on Reentry, which was initially scheduled for October 24-25, 2003.

Some hard thinking over the past few weeks has led us to the conclusion to postpone the Summit. Instead, we are working on hosting a much smaller, focused activity in December to provide more immediate information, resources and tools to aid in reentry and social adjustment for individuals, families and communities. The Summit, as initially conceived, may take place at a later date to address some of the more long-term issues and barriers.

We will be sure to invite you to our events and hope that you can participate. Please do not hesitate to contact us if you have any questions or other ideas.

Once again, thank you for your time.

Sincerely,

Christine Araujo
