Dear Mr. Swiatlowski:

Bravo, bravo, bravo! What a terrific workshop you put on yesterday at the Basketball Hall of Fame. I'm so happy I decided to preview it first.

The Adult Education director has agreed to supply the school bus through certain grant monies after listening to my summary of your workshop and reading through the workbook.

I have penciled in February 19, 2004, at 1:00 P.M. to meet with you at your offices in Agawam, Massachusetts. I'm looking forward to an ongoing relationship with you and your organization.

Thank you again for an outstanding workshop.

Sincerely,

Barbara A. Lyon
