RE: Kentucky Registration File #02 Cambridge Credit Counseling Corp – Renewal

Dear Mr. Viale:

This letter will acknowledge that the renewal registration statement (Form DA-1) filed by your organization June 18, 2023, along with the additional information received today, have been determined to be complete. Please accept this letter as verification that your organization is registered with this Office for the time period of **August 24, 2023, until August 24, 2024.**

This should not be considered as an endorsement of your organization and should not be represented as such.

Please remember that **this registration expires on August 24, 2024.** The registration may be renewed by filing a renewal registration using Form DA-1 and paying the renewal fee and filing the results of the annual audit and the auditor's opinion with the audit checklist (Form DA-2) completed by the auditor. The renewal registration form, fee, and audit checklist are due at least four (4) weeks prior to the expiration of the registration. Please note that the annual audit must include an audit of your organization's business, including any trust funds deposited and distributed to creditors on behalf of debtors, must be conducted by an independent, third-party certified public accountant, and must be no older than twelve months prior to the date of filing the renewal registration.

The forms referenced in this letter, and the related statutes and regulations, are available from our web site, <https://ag.ky.gov/Resources/Pages/forms.aspx>

If I may be of any further assistance, please feel free to contact me.

Sincerely,

DANIEL CAMERON
ATTORNEY GENERAL
